

WAYFARERTM RECORDS

OLYMPIA | CHICAGO | MIAMI | NASHVILLE

Wayfarer Records is having the most amazing year since its 15-year anniversary last year, and we are only getting started. 2024 is going to be full of excitement, so we thought we'd give you a taste of what's coming with this sneak peek.

First off, we are proud to announce that chart-topping guitarist, composer and synthesist **Billy Denk** has signed with Wayfarer. Billy is a mainstay on several ambient radio programs and is constantly showing up at the top of the charts. Billy will be bringing his unique blend of ambient, electronic, electro-acoustic and jazz to the Wayfarer family of artists. We are overjoyed with what he has in store for us.

Second, Wayfarer is extremely proud to present award-winning composer **Christopher Caouette** as an addition to the Wayfarer family of artists. Christopher is currently up for Grammy consideration for his epic instrumental release *Tale of the Oakenwish*. Keith Hanneleck of *New Age Music Reviews* refers to Christopher as "...the magical wizard that pulls you into his storybook...". We couldn't agree more and we are elated to have him as part of Wayfarer.

We are also pleased to announce that Wayfarer Records mainstays **Daren Keck**, **Boreal Taiga**, and **Ian Crawford** have all signed on for extended contracts with Wayfarer. Look for exciting new releases from these innovative artists in 2024.

Finally, with so many great artists coming onboard, the Wayfarer Team is making extensive positive changes toward growth. Recently, Wayfarer artists Jason Blake and Sean O'Bryan Smith joined the Wayfarer board of directors as Director of Marketing and Strategy for Blake and Director of Artist Development and Relations for Smith. Now joining Wayfarer founder/CEO Dave Luxton, Blake and Smith, we are super excited to add the extremely talented Dieter Spears as Director of Creative Media.

Dieter Spears has been a leading name in visual media for decades. Based out of Nashville, his career highlights include being a successful filmmaker, record producer, musician, graphic designer as well as being one of the top-rated photographers in the world. He has worked on major ad campaigns for some of the largest name brands in the world as well as being one of the premier early photographers for iStock. In addition to his role as Director of Creative Media, he serves as Director of Operations for the autism advocacy mission *On the Avenue* in Nashville, Tennessee.

This is just a glimpse of the changes coming to Wayfarer Records for 2024! Be on the lookout for more artists and news in the months to come with a full announcement on January 1st.
